Which battery brand is best?

So for example, Lion is the best lowest cost brand, Exide is the best mid-range brand, and Varta and Bosch are the best higher cost brand. We reckon if you choose a battery from one of these companies you have the best chance of the battery lasting longer and giving you less hassle.

How do I choose the best battery brands?

Here are some of the factors we considered when choosing battery brands for our list: A battery should last for years at a time, with the best and most reliable lasting beyond five years of use. The quality of the battery is as important as the materials and design.

Should I buy a Varta battery?

This means buying a Varta battery may maintain the OEM (original equipment manufacturer) spec of your car. Blue Dynamic is the name of Varta's mid-range car batteries, with the C22 designed for small and medium cars. It's ideal for older cars without a start-stop system.

Which car battery is best?

Just for one example, the Bosch EFB 027 car battery is the best on the market. Varta are also a German brand, and even older (by one year!), formed in 1887. Unlike Bosch, who make a lot of things, Varta are specialised battery makers. They make very high quality batteries, with particularly well-made internal components and engineering processes.
