

Customs code for solar energy storage system

What is the customs duty for solar PV module?

Custom Import duty of Other is 0% under HS Code 85414019. IGST for the product Solar Pv Module are is 18% and total duty for above product is 18% with Import Policy HS Code 85414019 Description Other Customs Duty (%) 0% IGST 18% Compensation Cess 0% Specific Duty (%) Not Applicable Pref Duty (%) Not Applicable Total Duty (%) 18% Import Policy

What is the new customs duty on solar imports?

The Ministry of New and Renewable Energy (MNRE) has notified the media that a basic customs duty (BCD) on solar imports up to 40% is set to be levied from 1 April 2022. A 40% charge will be imposed on solar modules, while cells will attract a 25% charge. According to the ministry, already bid out projects will not see any charges.

What is a commodity code?

Commodity codes are internationally recognised reference numbers. A code describes a specific product when importing or exporting goods. You will use this code on any import declaration and can find them in the Trade Tariff tool. You'll need to find the right commodity code for any goods you import or export, as it works out:

What if I rely on a commodity code from an overseas supplier?

If you rely on the commodity code from an overseas supplier, you'll need to check if the treatment is the same and how much of the code applies in the UK. Guidance on what a commodity code is has been updated. Related guidance updated to include sending goods to an overseas customer using rules of origin.

Can a photovoltaic cell be used for an export declaration?

Can be used for an export declaration. Photovoltaic cells assembled in modules or made up into panels; Examples: - Photovoltaic cells assembled in modules (500 watts, 1200mm x 600mm x 40mm) ...

What products are under HS code Osram?

Goods under this HS code » OSRAM brand, Chargers ZOI, MH18, A00G, Door Drive, Host ultrasonic generator, CORD, Automotive power DC regulator, Chargers 15, The power converter 1275, 121KG, Chargers 12972, CR0201, The charge amplifier, Door glass Hoists,

Energy System under Sub Chapter 8541 were imported from 6 countries; China was the largest exporter of energy system under Sub Chapter 8541 accounting for 63.94% of the total imports ...

analysis, the data has been collected at the 6-digit HS code level, specifically focusing on codes 854142: Photovoltaic cells not assembled in modules or made up into panels, and 854143: ...

Customs code for solar energy storage system
