

Does hot Bento have a rechargeable battery?

Hot Bento features a rechargeable, lithium ion battery that delivers on-demand heat to your meal. Depending on the contents of your meal, Hot Bento packs enough power to heat it 145-176°F in 10-15 minutes. Hot Bento's battery pack is not removable and can be recharged over and over again.

Does hot Bento have a heated lunch box?

**HOT MEAL ON THE GO** - With Hot Bento's heated lunch box, you'll always get more energy wherever you are. It's designed for portability, so you can easily put it in your bag. Enjoy a nice warm meal at work, in your car, outdoors, or just about anywhere **WARMS UP IN MINUTES** - Less prepping, more time for yourself.

How does a lithium ion food tray work?

The power system provides energy from airplane-safe lithium ion cells, with multiple safety circuits, to proprietary heating elements which transfer heat to the thermally conductive stainless-steel food tray. The result is food ready to eat in 10-15 minutes at temperatures ranging from 145-165 degrees.

What is a lithium Safety Store?

Equipped with advanced early warning systems, plus fire-suppression technology, including a Kevlar-reinforced structure and specialized heat-blocking materials, the Lithium Safety Store(TM) is a fortress against lithium battery fires. Its built-in water inlet fire extinguishing port allows any unit to be manually flooded via a one-way inlet valve.

What if my Bento Box runs out of battery?

As soon as the bento box runs out of battery, simply use the AC power adapter that comes with it **IDEAL FOR KIDS TOO** - Because our lunch box heater is user-friendly, even your little ones can use it as well. The coated electronics ensure safety and water resistance while your child is using it.

How much energy does a battery pack hold?

The model box used is the "XL" (LSBX0155) and the total capacity/energy of the battery pack is 7000 Wh (7 kWh). Never before has a fire containment system been successfully tested to contain such a high energy load. Visit our other Battery Box website for more information !
