

Outdoor Solar Power Supply Shipping Insurance

What is solar panel insurance?

Solar panel insurance is cover that protects you from the financial blow of your system getting stolen, damaged, or destroyed in numerous specific ways. If you successfully claim on solar panel insurance, you'll get a payout to help you to repair or replace your system.

Do you need commercial solar panel insurance?

Comprehensive commercial solar panel insurance protects the investment if a business owns the panels. When solar panels are leased, the responsibility for insurance typically falls on the panel owner. The next key point revolves around the heightened liability risks associated with commercial solar panel systems.

What does solar panel insurance cover in the UK?

Solar panel insurance in the UK often covers damages from storms, floods, fires, theft, and even vandalism. Some policies also provide coverage for loss of income due to panel downtime caused by any of these damages, ensuring that the panel owner's financial interests are secured.

Does homeowners insurance cover solar panels?

Usually, homeowner's solar insurance packages cover all types of solar panels: monocrystalline, polycrystalline PV, or thin film solar panels. The insurance protects your solar rooftop against common risks, such as fire, hail, lightning, storm damage, or theft. The claim limit for solar panel coverage varies depending on the policy.

Does solar panel insurance cover a power outage?

Loss of income due to power generation outage: In the event of a power generation outage caused by covered perils, solar panel insurance may provide coverage for the loss of income. This aspect is particularly important for businesses and homeowners relying on solar energy for daily operations.

What insurance options are available for solar panels?

Specialised insurance options also exist for the installation phase, protecting against financial losses due to accidents or damage during installation. These options include Public Liability Insurance, Personal Accident Insurance, and more. Solar panel insurance comes in various forms, tailored to different needs and installations:
