

What should I look for when buying a replacement battery?

When purchasing a replacement battery, it's recommended you get one as close to the original rating as possible. However, slight changes are acceptable. For example we often recommend model number TLV1250F1 for customers who are replacing a 4AH batter, and TLV1272F1 for customers who are replacing a 7AH battery.

Are repurposed batteries safe?

Safety and performance are important when using these second-use repurposed batteries. Underwriters Laboratories (UL), a global safety certification company, published the standard for evaluating the safety and performance of repurposed batteries, i.e., UL 1974.

What battery is under repurposing?

The battery under repurposing is the 15 Ah 40138-LFP battery cell originally made by C-life Technologies, Inc., where 40138 indicates that the dimension of the cylinder battery cell (40 mm diameter and 138 mm height). The detailed specification of the battery cells is available in the data repository 82.

Can I get a replacement battery?

If you experience any problems with your battery which haven't arisen as a result of a manufacturing defect, we're unable to provide a replacement battery. The guarantee on any replacement battery will expire on the original battery's guarantee expiry date. Our leisure batteries come with a standard 2-year guarantee.

How long does it take to replace a battery in Canada?

In Canada you can get 1 hour battery replacement most of the time. Call your Apple store and ask. As long as the store does repairs it will be same day. (Assuming you're not showing up right before close, and they're not busy and backed up on repairs, and they have the part in stock.)

Are batteries covered by a warranty?

Batteries used in a commercial or professional application, such as taxis, driving instructors, emergency services, works vehicles, etc., are not covered by the full term of the warranty but instead come with a 6 month warranty. How does the guarantee work? The guarantee covers any manufacturing defects which arise within the guarantee period.

Unfortunately, we're unable to offer a replacement battery without a dated proof of purchase. We'll carry out a complete health check on the battery which will indicate if there's a fault with the battery; the results of our battery check are final.
