

Who makes electrolytic capacitors?

Joint Stock Company "ELECOND" is a leading Russian manufacturer of aluminum electrolytic capacitors, tantalum wet-slug capacitors, and tantalum and niobium solid-electrolyte capacitors, as well as supercapacitors and modules based on them. The company is situated in Sarapul, Udmurt Republic - an industrially developed region of Western Ural.

How are capacitors made?

Capacitors are produced using technologies that initially set high requirements for stable operation of products in the most difficult operating conditions. Share occupied by the enterprise JSC Elecond in Russian market capacitors. The number of qualified employees of the enterprise JSC Elecond

Who is Serpukhov capacitor?

Our company constantly improves characteristics of made production and is the basic supplier in all territory of the Russian Federation and the countries CIS. The Serpukhov capacitor plant continues to master new capacitors, expanding and without it already volumetric assortment of released production.

Who is Ust-Kamenogorsk capacitor plant?

For 60 years of its activity, Ust-Kamenogorsk Capacitor Plant has acquired not only vast experience, but also introduced a number of innovative technologies into the production of capacitor products, which allowed it to take a leading position in the electrical market of Kazakhstan, Russia and other CIS countries.

When was electrolytic capacitors made in Sarapul uassr?

According to the resolution of the Council of Ministers of the RSFSR No. 1700 dated November 19, 1960, the construction of a plant for the production of electrolytic capacitors began in Sarapul UASSR: in 1963, the foundation of the first facility was laid -- a rail depot. In 1964, the builders began the construction of the main production building.

How to contact Serpukhov capacitor plant?

7 (4967) 72-45-98. +7 (495)125-40-03. In 1944 in Serpukhov, Moscow region, has been found specialized plant on manufacture of power capacitors. In development of productive forces the Serpukhov capacitor plant has taken the important place in the electrotechnical industry.

Business Type: Trading Company Main Products: Capacitor, Metallized Polyester Film Capacitor C121, Metallized Polypropylene Film X2 Capacitor, Aluminum Electrolytic Capacitor, Ceramic ...

The first and only dedicated factory for the production of power capacitors - Serpukhov Condenser Factory CPS KVAR. Coupling capacitors, capacitor manufacturers in Russia.

Volza list of active Russia Capacitor suppliers and exporters contains Supplier name, address & Top decision makers with phone, email & LinkedIn profile, it also contains ...

We develop, manufacture and sell aluminum, tantalum capacitors, supercapacitors and modules based on them. Find out the cost and terms of cooperation!

Screw-type aluminum electrolytic capacitor. Lorida is a professional manufacturer of capacitors, mainly producing snap-in, screw-terminal, radial aluminum electrolytic capacitors, film ...

Application - Widely used in DC-Link circuits for filtering energy storage. - Can replace electrolytic capacitors, better performance and longer life. - PV inverter/ Wind Power ...

China Aluminum Shell Motor wholesale - Select 2024 high quality Aluminum Shell Motor products in best price from certified Chinese One Motor manufacturers, Q Motor suppliers, wholesalers ...

Made in Russia Capacitor Directory - Offering Wholesale Russian Capacitor from Russia Capacitor Manufacturers, Suppliers and Distributors at TradeKey

We develop, manufacture and sell aluminum, tantalum capacitors, supercapacitors and modules based on them. ... Leading manufacturer of capacitors in Russia. RU; 3, Kalinin Str., Sarapul. look at the map. elecond ...

The failure of aluminum electrolytic capacitors is a very important issue for users to pay attention to. Only by understanding its failure factors from multiple angles can we ...

Volza list of active Russia Capacitor suppliers and exporters contains Supplier name, address & Top decision makers with phone, email & LinkedIn profile, it also contains strategic information ...

Our company is engaged in delivery for export of electronic components produced in Russia and the former Soviet Union. We can offer you the delivery of components from our warehouse, ...

Joint Stock Company "ELECOND" is a leading Russian manufacturer of aluminum electrolytic capacitors, tantalum wet-slug capacitors, and tantalum and niobium solid-electrolyte ...

CD60 Motor Start Capacitor- Aluminum Shell Capacitors, Find Details and Price about Capacitor AC Capacitor from CD60 Motor Start Capacitor- Aluminum Shell Capacitors - Taizhou Huifeng ...

Aluminum Shell Cylinder Capacitors are widely used in the following fields due to their excellent electrical performance and stable physical characteristics:. Power Equipment: Such as ...

China Aluminum Capacitor wholesale - Select 2024 high quality Aluminum Capacitor products in best price from certified Chinese Fan Capacitor manufacturers, China Capacitor suppliers, ...

You can buy high voltage capacitor banks of the following types at our company: UKL, UKLP - non-adjustable upgraded capacitor banks, which, by compensating for reactive power, reduce ...

Ust-Kamenogorsk Capacitor Plant, Ltd. Leader of capacitor manufacturing in CIS countries, it produces a wide range of energy-saving equipment: from individual low-voltage (up to 1000 V) ...

Yiyang ZhongYu Technology Electronic Co., Ltd. is a professional manufacturer of high quality aluminum electronic capacitor, founded in 1998. Our company is located in Longling electronic ...

Joint Stock Company "ELECOND" is a leading Russian manufacturer of aluminum electrolytic capacitors, tantalum wet-slug capacitors, and tantalum and niobium solid-electrolyte capacitors, as well as supercapacitors and modules ...
