JMEV Yizhi EX5 is powered by a permanent magnet synchronous motor (water cooling), the maximum power is 60 kW, peak torque of 220 N·m, official claimed the 0-50km/h acceleration time is 6 s. Importing from China & looking for a hands-on local helper?

Will SiTech sell e200s/n and EVeasy EV2?

Apart from the OEM supply deals with Spotgo Auto and Seiyong Auto written about in another thread, the E200S/N and EVeasy EV2 will be sold by Sitech as MEV 80 and MEV 80S. Seems like going forward, Sitech will expand its model range by partnering with other EV manufacturers only.

We are specialized in Lithium battery protection management system (hardware bms and smart bms) and have an annual production capacity of 300 million pcs. The Smart BMS includes ...

HiNa Battery: The first mass-produced sodium-ion battery EV in cooperation with JAC Motors rolled off the assembly line. The new model will start mass delivery in ...
